OUTPOST

As a Butterfly, you now have the opportunity to serve your community as a member of the Outpost. We are thankful you have a desire to serve Chrysalis in this manner. Outpost is designed to serve Chrysalis through prayer and acts of agape, as well as, prepare you for future Team service. All Outpost participants will be noted on the Team selection database and will be given special consideration for team service. The Outpost will be held at Green Pastures Christian Camp near Meredosia, in conjunction with the Chrysalis Weekend. Outposts start at 8:00 a.m. Saturday morning and will end at 8:00 p.m. Saturday evening. We require all participants to stay until 8:00 p.m. You will not be allowed to come and go during the day. If you do decide to leave, your parents or guardian(s) will be notified and you will not be allowed to return. At 8:00 p.m. Saturday evening, you will be dismissed and are free to leave or you may choose to stay for Apostolic Hour and the Candlelight service. We would love for you to stay for these two very special events, but will not require it if you have a long distance to drive and need to be home early. Outpost's main functions are prayer and service. If you are asked to serve a meal during the day, you should have little or no interaction with the Team members or Caterpillars. We realize you might be friends of Team members or sponsors of Caterpillars, but the Team needs to concentrate on their job at hand, and the Caterpillar's experience needs to be as genuine as possible and to interfere would inhibit that. Please remember that serving on the Outpost is a privilege, not a right, and we, as the PromiseLand Chrysalis Committee, ask that you conduct yourself with the utmost humility and decorum.

Thank you,
